

Andrew J. Smith
MD, MSc, FRCSC, FACS

Dr. Andrew Smith is President and CEO of Sunnybrook Health Sciences Centre, and is a professor of surgery at the University of Toronto. He earned an MSc and completed medical school and general surgery residency at the University of Toronto. He completed a surgical oncology fellowship at Memorial Sloan-Kettering Cancer Center in New York.

Dr. Smith is a leader in the management of colorectal cancer in Canada. He has served as head of the Division of General Surgery at Sunnybrook, chair of the Division of General Surgery at the University of Toronto, chief of the Odette Cancer Program, and regional vice-president for Cancer Care Ontario.

He has been involved for many years in quality improvement initiatives in Ontario, and is passionately interested in healthcare leadership and the evolution of the healthcare system in Canada.
